Rural living! The sunsets are made for sweet tea and relaxation on this 4.88 acre ranchette located midway between Rifle and Meeker. Immaculate home with engineered bamboo flooring, custom farmhouse shelves and newer stainless steel appliances. The attached heated garage provides for winter parking or extended usable space for storage. The reverse osmosis system covers the entire home for added water quality and preservation of plumbing and systems. Bring the animals, the toys and the creative mind and make this wonderful property home!
