

483 Casey Way, CO 81504

\$ 286,500

3 Bedrooms

Warm, inviting home in the desirable Chatfield II Subdivision. The large foyer/entry welcomes guests but also acts as a buffer from visitors. Split bedroom design. 1 full bath, two bedrooms, master bedroom with 5 pc bath, jetted tub, external door to covered patio in back. The Living/Kitchen/Dining area is open by design. Interactive while cooking and entertaining and living. Covered back patio opens to log pillars matching front of house. Lawn/garden area. **CHECK THIS OUT!** 3 car garage has a separate overhead "back door" for access to the back yard. Space for a boat or r/v storage. 8X12 shed will stay. Everyone loves this home.
